

Mobile Banking with your cell phone

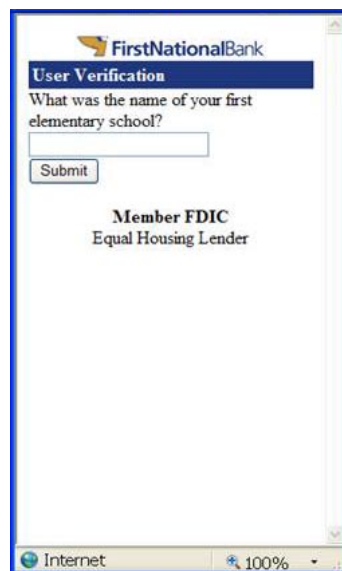

Mobile Banking allows you to use your cell phone to check account balances, transfer funds, pay bills and more.

Log in to Mobile Banking at <https://fnborrville.mo-banking.mobi/> from your cell phone.

Before you are able to log in, you will need to register for Mobile Banking, which can be done [here](#).

Above is an example of the Mobile Banking log in screen. You can view information in the numbered list without logging in.

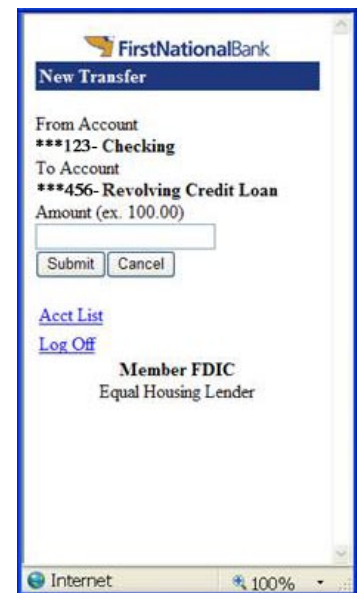

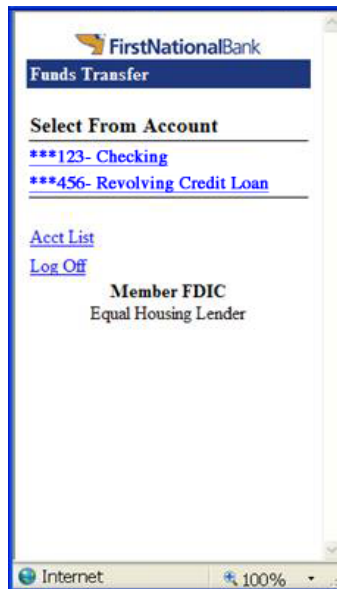

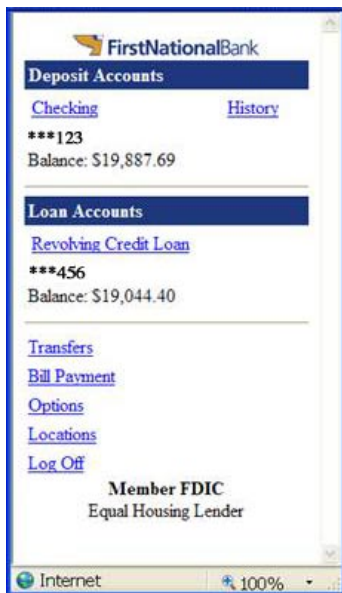

You will be presented with a challenge question the first time you log in. After that, your cell phone will be recognized by the system and the challenge question will not be asked.

If you need help,

How to navigate Mobile Banking with your cell phone

Once successfully logged in, you will see the Mobile Banking home page, along with an overview of your accounts and balances. From here you can accomplish multiple tasks.

History

The History link will provide you with a detailed listing of the most recent transactions for your account. You can also click on individual check transactions to view the check image.

Bill Payment

The bill payment function gives you the option to make a one-time payment straight from your cell phone.

Transfers

To transfer funds between accounts, select the Transfers link and choose the account to transfer from, the account to transfer to and the amount of the transfer.

Options

Account options, such as password changes or e-mail address updates, can be modified here.

Locations

Using Locations, you can easily find the closest First National office.
